This four week program offers a faith rooted introduction to palliative care, helping you understand end of life issues and how to speak about them with compassion and hope. Each session explores topics such as the experience of dying, decision making, accompaniment, and community support. This is a valuable and faith rooted opportunity. ### **With your support of ShareLife, despair turns into hope**

When Eulogio learned his wife was pregnant - not just with one baby, but with twins - his joy multiplied. He dreamed of raising David and Emmanuel with the same love and care he had given his firstborn, determined to provide them with a warm home and a future full of possibility. But then, a devastating accident cost Eulogio his job, leaving his family without a reliable way to put food on the table or keep warm in the bitter cold. The weight of hunger and uncertainty grew heavier each day. Because of your kindness, ShareLife and Canadian Food for Children were able to step in, ensuring this family had food to sustain them. But there are more families in need. With your gift to ShareLife, you can enable more fathers like Eulogio to hold their children close and carry the strength to face tomorrow.

Our parish goal this year is \$265,000, please give using a ShareLife envelope at the parish, online through our parish website, or at [sharelife.org/donate](http://sharelife.org/donate)
