40 Days For Life

Help us save lives by praying for an end to abortion in our community from 28th September to November 6th. In Canada, about 300 unborn babies are aborted every day. This is the 10th anniversary of this peaceful prayer vigil which takes place near the Mississauga Women's clinic (Southwest corner of Queensway and Confederation Parkway). The visible presence of hundreds of Christians has an impact in our quest to promote a culture of life. Simply show up at St. Catherine of Siena (our 40 Days for Life Hub) for sign-in on-site to bear silent prayerful witness to the devastating plight of our pre-born children.

Further details are available by visiting www.40daysforlife.com/en/mississauga

Are you able to host a Ukrainian family?

When hearing reports of the war in Ukraine, and the millions of Ukrainians that have been forced to flee their homeland, many have asked what they can do to help. Many are arriving to Toronto and are without family here in Canada to help them. Among those will be some who are vulnerable to human trafficking, particularly seniors, single women, and women with children. There is an immediate need for families to host for a period of between one and six months some of those who have arrived. If you would like to learn more about hosting a Ukrainian family, please go to Archdiocese of Toronto - Ukrainian Crisis (archtoronto.org) and register for a virtual info session.
